Re: WT Docket No. 02-55  
*Ex Parte Presentation*

Dear Ms. Dortch:

On Wednesday, April 7, 2004, Robert S. Foosaner, Senior Vice President, Nextel Communications, Inc. ("Nextel"), and Lawrence Krevor, Nextel's Vice President – Government Affairs, met with John Muleta, Bureau Chief, Wireless Telecommunications Bureau; David Furth, Associate Bureau Chief, WTB; and Aaron Goldberger, Legal Advisor, WTB, regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. During the meeting, Nextel's representatives and Commission staff discussed issues raised by Nextel in its submissions in this proceeding, including the urgent need to adopt the Consensus Plan as a means of resolving CMRS – public safety interference and providing additional spectrum for public safety communications.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
